Notice Concerning Impact of Typhoon No.24

RENOVA, Inc. expresses its support and solidarity towards those who have recently been impacted by Typhoon No. 24.

We have confirmed that we have sustained no damage that will significantly affect our large-scale solar PV plants, Biomass power plant and other businesses under development in the wake of Typhoon No. 24, which caused damage across all areas of Japan starting on September 29, 2018.

We will promptly make further announcements in the case of any damage that may have a significant impact.
