### **Notice Concerning Impact of Earthquake occurred in centered off the coast of Yamagata Prefecture**

RENOVA, Inc. expresses its support and solidarity towards those who have recently been impacted by the earthquake that occurred in centered off the coast of Yamagata Prefecture at about 22:22 on June 19, 2019.

We have confirmed that this earthquake has not caused any damage that would have a material impact on our Domestic wood chips biomass plant in Akita Prefecture. We have also confirmed that we have sustained no damage that would have a material impact on our other power plants operating or under construction in Tohoku or on our business under development in Tohoku.

If any new damage or similar development occurs in the future, we will immediately make another announcement.
